Price increase to School Meals

Price Increase to £2.80 per school meal

The school has absorbed the impact of inflation on food and managed to hold prices static for over a year now. However after careful consideration, we will need to increase the price of our school meals to £2.80, effective from Monday, 6th January.

This adjustment is necessary to continue providing nutritious and balanced meals for our students.

We greatly appreciate your understanding and support as we strive to maintain the quality of our meal service here at The Quinta Primary School.

Important Health Notice

We have been informed of a case of cryptosporidiosis in school. This infection can cause diarrhea, stomach cramps, and nausea. If your child experiences these symptoms, please consult your GP.

For more information on symptoms and prevention, visit the [UKHSA Cryptosporidiosis Guide](#).

Thank you for helping us keep our school community healthy!
